

ALBION NEIGHBOURHOOD SERVICES

Annual Report 2021

MISSION STATEMENT

Albion Neighbourhood Services works in partnership with the community to enhance peoples' lives through the delivery of programs, services and supports that are engaging, accessible and responsive.

VISION

Empowered, healthy communities

MESSAGE FROM THE CHAIR

2020 was a difficult year. It was a hard year for children, youth, families, the homeless, our staff, and the community more broadly. ANS, like everyone else, had to pivot to new ways of delivering our essential programs and services. As we look back, it seems most appropriate to say THANK YOU.

THANK YOU to our dedicated staff. Because of them, ANS was able to meet these challenging times by delivering services in new and innovative ways. They stayed committed to supporting the community, all while resources were stretched thin and workloads were heavy. For our teams that were restricted from providing in-person services, they quickly moved to virtual programming so there was still a place for people to go. They introduced amazing virtual programs in dance, cooking, fitness, photography, leadership building, and so much more. Where virtual services were not an option, our teams developed safe and inclusive ways to connect with people in-person.

THANK YOU to our Executive Director, Lisa Kostakis. She led ANS through these unprecedented times with the focus, encouragement, and sensitivity the circumstances needed.

THANK YOU to our funders. ANS was not the only agency experiencing tough times, so we are especially thankful to receive support. All levels of government, agency funders, and individual donors continued to stand with us despite their own challenges. Their support allowed us to keep our team together. We know we could not make the impact we do without their support.

THANK YOU to our Board of Directors. They generously volunteer their time and did not relent as the pandemic impacted their lives as well. A special thank you to Sam Palermo, Evonna Iadipaolo, and Mohammed Jeewa whose time on the Board is concluding after serving two terms. We cannot thank them enough for all their contributions over these last 6 years. They will be missed.

So yes, 2020 was a difficult year. But we learned a lot. We learned that funders and governments will step up to continue our important work. We learned how quickly we can adapt by putting children, youth, families, the homeless and communities first. We learned how communities will come together to support and protect each other. And most importantly, we learned how essential ANS is to the Etobicoke, Parkdale and other members of the various communities who access our programs and services throughout the GTA. And that is why we THANK YOU for your continued support.

**Anjana Yachamanani, Chair

MESSAGE FROM THE EXECUTIVE DIRECTOR

During the year of 2021, Albion Neighbourhood Services celebrated 50 years of program and service delivery in one of the most vibrant and diverse communities across the GTA. We continued to experience various transitions of changes, challenges, but with that also came additional growth and a continued level of resiliency and capacity. As a multi-service agency we continue to thrive by providing a variety of programs and services through our: **Access/Community Services** - advocating, supporting and assisting individuals and families of all ages and stages in their lives to live with independence, dignity, financial stability, well-being and better resourced, resulting in the capacity to live a higher standard of quality of life; our **bgc Albion Club (Formally known as Boys & Girls Club)** programs provide a safe and fun place where children and youth can experience new opportunities, overcome barriers, build positive relationships, develop confidence and skills for life, while also fulfilling their wishes and dreams; and our **Housing Services** programs - assistance in attaining immediate, stable and safe living conditions, decreasing homelessness and supporting people with compassion, dignity and humanity.

Even under the Covid-19...which went into 2020 and 2021, we continued to serve thousands of individuals and families of all ages from a wide range of diverse, cultural backgrounds, through virtual and in-person programs and services. We greatly appreciate and commend the support of our various community partners, funders, sponsors, donors, volunteers and community members. We continued to embrace the new ways of working and somehow managed to balance the old traditional ways for individuals who could not adapt to the new ways, as they did not have all the resources available to them. The staff are to be commended in how they continued to serve our communities with as little disruption to programs and services as possible.

Our Access/Social Services office opened its doors March 2021 with full capacity service delivery and in keeping with all safety measures in place. Our location at the Rexdale Community Hub, also began to see more staff coming in on a daily basis (in small numbers) due to additional safety restriction measures. We did however, have some wonderful growth based on all of the hard, dedicated, compassionate and tireless work our ANS team did and continues to do collectively – from front line – part-time, full-time to the Management Team, our Board of Directors and partnering agencies, volunteers, funders, donors and other stakeholders.

I would be remiss not to mention, that these past 2 years took many into deep self-reflection...including me. I made a very difficult decision to leave my ANS family and venture into another community within the GTA. Words cannot express how the last 15 years at ANS - of my 33 year career in this sector, have greatly impacted me both professionally and personally. I have learned so much by all who I interacted with. There were many challenging times as we experienced much transition with staff and Board turnover, infrastructure changes and the strain of Covid-19. And though my time here has passed – on paper anyway 😊 – I continue and will always be a part of ANS both professionally and personally. I have made life-long friends both within our agency and outside of it. I was given an opportunity to grow and thrive because of ANS and the peers that supported and respected me as a leader, but most importantly as a peer and team member.

In moving forward, I will be hopeful to be blessed again with a Management Team like Khudaija, Maria and Richard; an Administration Team like Natasha, Dave and Matthew; a compliment of Board of Directors such as ours at ANS, with a leader like Anjana; and finally, a staff as diverse, rambunctious, motivated, compassionate and kind. You have made a difference in my life and some of you will definitely remain life-long friends.

“Shine On” ANS and always know that I will be there when needed, but most importantly, even when I am not.

With much pride, respect and love.

Lisa Kostakis, BSW, RSW

ACCESS/COMMUNITY SERVICES

Albion Access/Social Services, continues providing services to our community as with every other year. Our challenges grow with our wide range of programs and services within our department.

Despite the challenges faced by the staff at the Albion Access location and with the Covid19 restrictions, we continue to enable our clients to better integrate into Canadian Society by providing intervention to reduce, prevent and eliminating poverty, Immigration Settlement, Advocacy with Service Canada, Human Resource Development Canada, Revenue Canada Agency, income tax services, Commissioner for taking Oaths, voice mail services, information and referral services, etc. We also offer translations and interpretations offered in more than 19 different languages and many other services to meet the needs of our diverse community members.

The income tax service continues to thrive in volume and quality, with the collaboration of our staff, volunteer and student placements. I was able to complete approximately 1,437 tax returns this year alone, regardless of our challenges, this season was a great success. I would like to take this opportunity to extend my appreciation and gratitude to Mr. Donald Champ for the taxes that he completed and his dedication to our Tax Services. The total amount of taxes completed were 1,457.

With great honour, the Albion Access location achieved increase success and was able to advocate and serviced approximately 4,123 people to obtain or maintain their income and essential services and assisted 2,399 adults, 851 seniors, and an additional 486 individuals and families with information and referral services, whilst completing 2,919 forms.

I would also like to thank my staff members, partnering agencies, volunteers and 8 placement students. Your hard work, dedication and compassion are greatly appreciated. As a staff member and community member of 30 years, I am proud to be a part of such a dynamic team.

Maria Pereyra, Manager

YOUTH PROGRAMS 2020

THOUGHTS FROM OUR MEMBERS

THULIR, GTA

I AM IN MULTIPLE PROGRAMS BUT I AM MAINLY INVOLVED IN OUR GIRLS CLUB PROGRAM, OTHERWISE KNOWN AS GIRLS TALK ALBION (G.T.A)!!!!

THIS PROGRAM IS VERY FUN AND INTERACTIVE PROGRAM WITH JUST GIRLS WE DO MULTIPLE EVENTS FROM MAKEUP, TO ARTISTRY, OR EVEN COOKING TO SPECIFIC INFO WORKSHOPS FROM PROFESSIONALS.

THE BIGG PART OF THIS CLUB IS THE FACT THAT I AM SURROUNDED WITH GIRLS WHOI CAN RELATE TO OR FOR ADVICE.

I LOVE HOW EVERYONE BRINGS IN DIFFERENT CHARACTERISTICS, MINDSETS AND IDEAS.

Khudaija Sheikh, Manager

2020 was a unique year for our BGC Albion Club. The pandemic posed some serious challenges not only to our health, but to the overall well-being of our youth and children.

Unemployment, food security, school closures, event cancellations, having no access to regular after school activities and social distancing caused more anxiety and mental health issues on top of the fear from the disease itself.

I am proud of my entire team for their hard work and commitment to serve youth and children in unprecedented times. We pivoted our programs and continued to create opportunities to meet the needs of our children, youth and the community.

**ANGELIKA,
REXPRESSIONS**

**WHAT PROGRAM ARE
YOU IN, TELL US
ABOUT IT?**

I AM IN THE REXPRESSIONS PROGRAM ALONG WITH A FEW OTHERS. ADIGITAL PROGRAM FOR THOSE WITH INTERESTS OF PHOTOGRAPHY VIDEOGRAPHY, GRAPHIC DESIGN AND MORE.

Children's Programs 2020

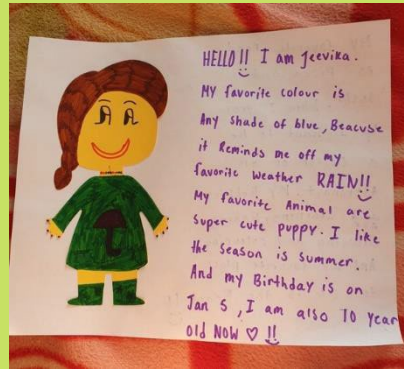

AFTERSCHOOL PROGRAMS WERE OFFERED EVERY DAY THROUGHTOUT THE SCHOOL YEAR VIA ZOOM

5 AFTERSCHOOL VIRTUAL SITES

Children felt connected via virtual platforms.

Virtual programs offered the following support to children 4 to 12 years old.

- Homework Help
- Arts & Crafts
- Cooking
- Physical Activities
- Social connections
- Covid-19 Awareness
- Pandemic related discussions
- Device access
- Food/Gift Cards
- Drive-Through events (Christmas).

**Beverly Poyser,
Program Manager**

2020 was hard keeping children in a program virtually but thanks to the great planning by the staff that kept the children involved and engaged in virtual platforms. Activities in the children programs included homework, arts & crafts, cooking, exercise and guest speakers. Activities in the Summer Camp were based on themes, arts & crafts, exercise and dancing. Virtual Summer Treats was the favourite activity for many: making Apple Yogurt Parfait and Banana Cereal popsicles.

I worked right up until my retirement date in 2021. I have truly enjoyed working with children and will miss my coworkers and our Boys & Girls Club a great deal! I hope to be back when things are back to normal to say goodbye to all the children and parents, community partners, in person who I have worked with over the years.

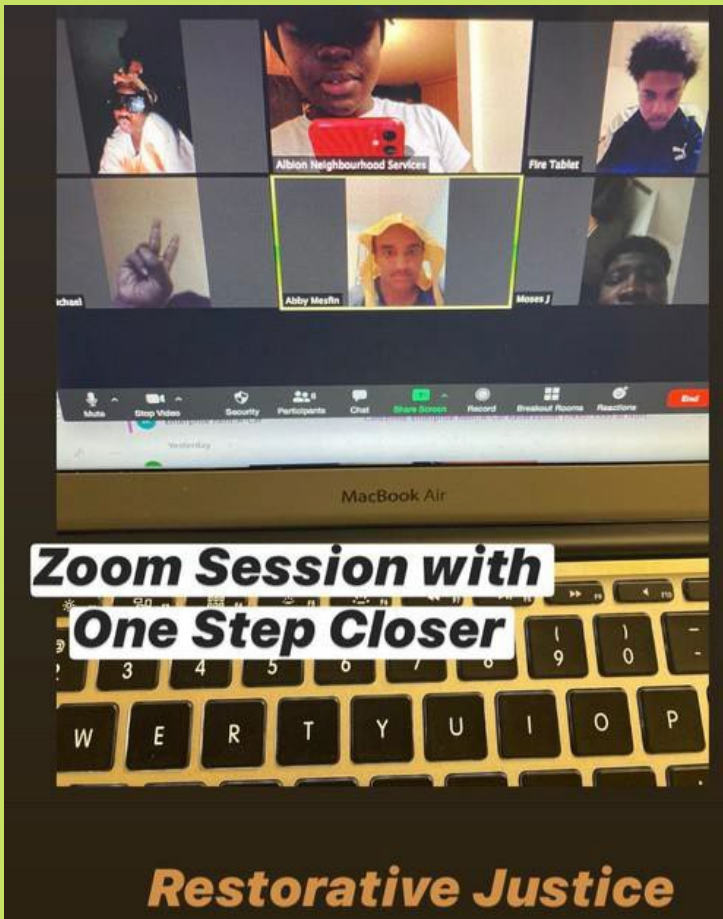

Urwa

Angelika

FOR ME SPECIFICALLY IT WAS DIFFICULT SIGNING UP FOR VIRTUAL PROGRAMS BECAUSE I AM NOT ONE TO USE DEVICES OFTEN, I'M ALWAYS OUT AND ABOUT AND OTHER THAN SOME SOCIAL MEDIA APPS I DON'T USE TECHNOLOGY MUCH.

ALTHOUGH THROUGHOUT THE COURSE OF QUARANTINE AND THE PANDEMIC, I EXPERIENCED USING A LOT OF TECHNOLOGY FOR VIRTUAL PROGRAMS AND LEARNED A LOT OF NEW THINGS. MY FAVOURITE PART WHILE BEING IN VIRTUAL PROGRAMS WAS THAT IT MADE IT POSSIBLE TO COMMUNICATE WITH OTHERS AND STILL HAVE THINGS DONE.

IT'D BE GREAT TO BE INTRODUCED TO MORE NEW TOPICS AND DISCUSSIONS OVER VIRTUAL PROGRAMMING ONLINE AMONG MY PEERS! IN REAL TALKS THERE WERE MANY IMPORTANT TOPICS COVERED, TWO OF MY FAVOURITE WERE "OPPRESSION TO WOMEN" AND "MENTAL HEALTH AWARENESS", THEY WERE SOMETHING I WAS ABLE TO RELATE TO, AND THEY'RE TOPICS THAT ARE NOT DISCUSSED EVERYDAY, AND EVEN WHEN DISCUSSED IT'S NOT VERY COMFORTABLE FOR MANY OF US TO TALK ABOUT.

HOUSING SERVICES

John Bagnall
Housing Manager

Kamalesh Visavadia
Housing Manager

2020 was Covid – 19 Pandemic dominated! We had to pivot to change some of our program delivery model due to the closure of the offices. We had to move to a telephone based service delivery for Follow Up, Housing Help and Rent Bank programs! The Outreach teams and specialized housing help continued delivering face-to-face/in-person services!

The 2 street outreach teams persevered throughout the pandemic and ensured that the most vulnerable population had access to services and indoor spaces. They worked tirelessly to find ways to engage clients, develop positive relationships and create a housing plan. In 2020 this team assisted over 250 clients, access indoor spaces! This achievement speaks volumes to the dedication of this team. Also this year, the City of Toronto approved two Street Outreach teams to provide Extreme Cold Weather Alert (ECWA) services. In 2020 we had 3 ECWA teams.

Housing Program staff helped clients to navigate through the pandemic quagmire of services, funding and ever changing processes. This team primarily worked from home and ensured clients received the best service possible. Housing Counsellors assisted often-desperate housing seekers by enabling them to connect with landlords despite a drastically shrunken pool of affordable housing. This team assisted over 300 clients throughout the year.

The Follow – Up team continued to support clients ensuring that they keep their housing, provided resources related to mental health, budgeting, income and wellness. We provided services to 80 clients on an ongoing basis.

Specialized Housing Help staff continued working with clients with complex issues providing critically important targeted and intensive supports to enable clients with serious, sometimes life threatening, health problems, mental health issues, or addictions to preserve their housing. The service was not reduced!

The agency was asked to participate in a number of cluster groups! I participated in 2 of these, the Humber Summit Black Creek and South Etobicoke. Through these groups, we started a food program, Saturday drop in session, Anti Black Racism advisory group and food ambassador program. The food program was in high demand by clients in all the programs. Also, had access to hot meals, which was very helpful for homeless clients. On an average week, we distributed nearly 300 meals and 100 hot meals!

As a Housing Manager, I want to thank the members of the Housing Staff for all their efforts on behalf of the clients in 2020. The staff's tireless work in assisting the most vulnerable people during a time of extraordinary need, is deeply appreciated and valued by Management and funders.

TRUSTEESHIPS

AMADEUSZ

ANS continued to be the trustee for Amadeusz. After 8 years of Albion Neighbourhood Services (ANS) providing trusteeship, mentorship and support to Amadeusz, in 2017, Amadeusz became its own entity, a non-profit organization, continuing its growth and success.

Amadeusz continues to be committed in assisting young people who are incarcerated. We provide the opportunity, resources and supports for young people who are incarcerated to create positive change within their lives and communities.

Program Description:

The Look at My Life Project provides the opportunity, resources and supports for young people who are detained in custody awaiting a further court appearance (i.e., bail hearing, trial) to complete their high school education and attend post-secondary schooling.

Program Activities Include:

Educational Attainment Program, Education assessment, General Equivalency Development (GED), Ontario Secondary School Diploma (OSSD), tutoring, post-secondary correspondence, education and career exploration, social development, post-release community connections.

Research and Evaluation:

Research and evaluation reports, advocacy, documentation, capacity building, dissemination.

Participants continue to show increased connections with project staff and have identified a caring person in their life, a key factor in post-release success.

To the Members of Albion Neighbourhood Services

Opinion

We have audited the financial statements of Albion Neighbourhood Services, which comprise the statement of financial position as at December 31, 2020, and the statements of changes in net assets, operations and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2020, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

In common with many not-for-profit organizations, the Organization derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Organization. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the years ended December 31, 2020 and 2019, current assets as at December 31, 2020 and 2019, and net assets as at January 1 and December 31 for both the 2020 and 2019 years. Our audit opinion on the financial statements for the year ended December 31, 2019 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Independent Auditor's Report — continued

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**ANS Galas
2016 to 2020**

As covid-19 entered our lives, so did our first Virtual Gala! As most of us were getting ready at home and even had wardrobe changes, we still missed the in-person interaction of our previous Galas. Therefore, as this was our 5th year anniversary of our Annual Gala fundraisers, we have compiled a few photos below to remember our in-person celebrations...enjoy😊
